

Linking PayPal with the FundraisingBox

If your organisation has its own PayPal account, we only require the e-mail address with which you are registered with PayPal.

Go to your FundraisingBox and under the tab Settings > Extensions > Payment via PayPal, click "Set up link". Then enter your PayPal e-mail address and click "Link Now". Subsequently, [activate](#) the new method of payment in your form,

We recommend you make a donation via PayPal through your fundraising form yourself to test the functionality.

If you do not have a PayPal account, you can open one. You can find out how to do this [here](#).
